

Choice Dental Group - New Associate Opportunity – Your Dental Career Awaits

We are endeavoring to find a new Associate Dentist at our brand-new dental clinic, Lethbridge Dental Services South. In this position, you will **lead the development of our new family dental practice**. Lethbridge Dental Services South (LDSS) has been a well-established dental clinic offering only surgery and dental implants for over 25 years. After moving into our state-of-the-art location in July 2022, LDSS is expanding its services to now include family dentistry. Our clinic is located in a newly developed wellness center, the Fairmont Commons building. Optometrists, massage therapists, chiropractors, physio therapists, acupuncturists, family counselors, a hearing center, and a beauty salon generate high foot traffic and maximize exposure and are the reason for our immediate success. Choice Dental Group is owned and operated by Dr. Scott Walburger, a local, Southern Alberta General Dentist. We have 3 clinics: LDSS and Crossings Dental in Lethbridge, AB and Medicine Hat Dental in Medicine Hat, AB. Our Team focuses on the personal growth, training, and mentorship of our Doctors. Our family-friendly atmosphere provides the support needed to achieve your personal and professional goals.

This is how we can grow together.

Choice Dental Group has thoughtfully developed its team culture consisting of common values, beliefs, attitudes, pillars, and behaviors. It's how we treat each other and how we work towards a common goal. We believe this is our strength. By joining the Team, you will be surrounded by dental colleagues who want to contribute to your growth and truly want to see you succeed. We are looking for a doctor who has integrity, work ethic, skill, and a passion to help others. As a Team player, you will comfortably fit into our fun-loving, hard-working Team.

We are interested in helping you achieve your business goals by offering you the potential for partnership or shares in the company after 1 year.

Choice Dental Group will also share our expertise to help develop YOUR professional digital presence on the worldwide stage promoting both you and your services. Our Marketing Team will gladly help you achieve your personal and professional goals. You will have one-on-one access to our highly skilled Leadership Team, which consists of our Chief Operating Officer, Clinic Managers, Finance Team and a Marketing Director, who will all be with you as you thrive. All you have to do is check out our 5-star google reviews to see what opportunity awaits!
